Haiti Rewind

On January 12, 2010 a magnitude 7.0 earthquake rocked the island devastating the poorest nation in the western hemisphere. It is estimated that over 200,000 were killed and 1.5 million are homeless living in tent cities. Six months after the earthquake there is not a viable coordinated plan in place to relieve the suffering. The cameras, press, and celebrities are gone, but.....God remains.

God is at work in Haiti. Many of you saw the video in worship on June 27th that showed what was accomplished through the partnership of Quail Lakes Baptist Church, Progressive Community Church (PCC), and Global Vision Citadelle Ministries (GVCM) Through that initial step of faith (100 tents, 250 hygiene kits and feeding 100 people one meal a day for one year).

Now for some really big news - God has moved individuals and organizations to help with the recovery effort. The North American Baptist Conference gave $85,000 to Quail to be used in partnership with GVCM to purchase land and "cinder block" machines; GVCM and Airline Ambassadors have submitted a 2.5 million dollar grant to build homes on the land GVCM will purchase; the Lathrop Rotary and Chamber of Commerce are exploring partnerships with GVCM and Quail to help with the recovery effort; Progressive Community Church is exploring a partnership with GVCM; and The Lighthouse is organizing to send a team to Haiti to help with the recovery effort and more.

Seeing how God has orchestrated this response, the Global Focus Commission has unanimously decided to develop a more intentional partnership with GVCM to join God in the work He is doing in Haiti. Pray with us for wisdom to discern the next steps we can take to build the church and relieve suffering in Haiti.

God is always at work around us,
Pastor Dana

SOS - Serve Our Stockton

Save the date:
Saturday, August 7, 2010
SOS (Serve Our Stockton) is a Volunteer Day to make improvements around our city. Last year on our first annual SOS Day, over 1100 volunteers were mobilized from over 25 churches to accomplish over 70 projects around Stockton, including roofing a house for a senior citizen, painting fire hydrants, cleaning up the East Bay MUD easement along March Lane and many other projects, some of which were even "kid friendly" so families could participate together. Save this date for another exhilarating experience of team work to help people and beautify Stockton! Watch for more information coming soon.

Partner of the Week

August 1 - Stockton Law Enforcement Chaplaincy Under the leadership of Jim Reid, the Senior Chaplain, there are currently over 30 men and women who serve the Stockton Police Department. The chaplains are on call to perform ministry day and night to victims, families and the police officers in our community.

August 8 - Joel Wurgler is the Executive Director for Youth For Christ in Stockton. Joel oversees this extensive youth ministry that holds school workshops in anger management, substance abuse counseling and gang prevention/intervention.

August 15 - North American Baptist Conference of Churches NAB presently has 65 missionaries serving in nine nations around the globe. These missionaries serve in Brazil, Cameroon, Japan, Mexico, Nigeria, United States, Canada, and other areas around the world. We also partner with nationals in ministry in the Philippines and Russia. In addition, church plants are a highly effective means of reaching unchurched people on our international fields and here at home.

August 22 - Ken & Jerilyn Bayer are with NAB Missions and oversee the Chain of Love ministry in Brazil. Chain of Love began in 1993, when a community of people in the city of Novo Hamburgo, Brazil was awakened to the plight of street children. The decision to organize for the purpose of bringing hope where there was despair; joy where there was sadness; and healing where there was pain, was driven by a desire to make a difference by creating a holistic foster care program designed to address the deplorable conditions. Presently there are eighty-one children in Chain of Love being nurtured in loving and caring homes.

August 29 - John Brouwer ministers in Eastern Europe with Entrust Ministries. John spends his time teaching and mentoring students at the Karoli Gasper Christian University in Budapest. Earlier this year John married Kriszta Palhegyi and they are now happily adjusting to married life together.
