

**Day Camp Volunteer Application (CIT)
Quail Lakes Baptist Church**

Dear Parents and Prospective CIT applicants,

This year the CIT position will look a little different as we strive to better what we do at Quail Lakes Daycamp. Please remember that an application does not guarantee a position. We will be asking applicants to provide two references in their application, a youth group leader is a great example as well as anyone that knows their prior volunteer history.

CIT's, like staff, are asked to follow a dress code, they will need to be in a comfortable and modest tee shirt and pants or shorts and athletic shoes. CIT's will sometimes be at the swimming pool, we ask that they have a backpack with appropriate (1 piece) bathing suits and towels with them on a daily basis. We also may ask that any body piercing be covered up when at Daycamp, as well as any unnatural makeup removed.

CIT's will be with a responsible counselor at all times and will need to understand that the Director of Daycamp is their immediate supervisor. Should there need to be corrective action, a CIT may be asked not to return depending on severity. We simply ask that CIT's are there to help, be respectful and act as an example to the younger campers while having fun. CIT's are expected to participate in whatever activity is taking place with their unit.

Lastly, CIT's may not bring electronics to their shift. If they have a cell phone, it will need to be kept in their backpack until day camp is over. We hope to have a great season of Day Camp, if you have any questions please feel free to call.

Thank You,
