### Pastor's Corner

From Ephesus...

As this newsletter goes out I will be on a trip with Pastor Wayne and 22 others touring the part of the world that the Romans called "Asia" but we call Turkey. The focus of our trip is to visit the 7 churches mentioned in the book of Revelation. Many of these churches were stops along the missionary journeys of Paul. One of these cities is Ephesus. Thus, I have been reading in the book of Acts and the writings of Paul to re-engage with what he experienced in these cities.

He writes to the Ephesian Christians, "Do not get drunk on wine...but be filled with the Spirit..." (Eph 5:18)

Paul goes on to say, the effects of being filled with the Spirit will be, to cause us to sing, to cause us to be grateful, to cause us to be in loving submission to one another. Wow, what a great result. I believe that these results would bring about a fourth - to cause us to be good witnesses for Jesus. Who would not want these results in life?

But the question becomes "How do you get filled?" Paul himself gives us a parallel when he says "do not get drunk on wine." How do you get drunk - you drink a lot! And how do you get filled? You drink in the Spirit of God. Drinking of the Spirit means setting our minds and hearts on things above, it means directing our attention to the things of the Word of God and reading the Bible. It means prayerfully seeking to live for Jesus and learn from His example. When we do this - A Lot - we will get filled with the Spirit. Instead of chemical dependencies, we will have a wonderful Holy Spirit dependency!

I hope that we will seek this kind of life - being Spirit influenced and dependent always!
