Pastor's Corner

From "Pit" to "Plaza"

I am sure that you have noticed the fact that we have filled in what we used to refer to as "The Pit." We leveled the ground in that area in order to put that space to work. Thus, we now have what we are calling, "Quail Plaza."

We hope that this new area will be useful in the nice weather as an area for fellowship and café expansion. Also for taking some of the booth activity out of the foyer and into this area so that there is not so much congestion inside.

Thanks to those who worked hard to make this a reality. We have already seen the benefit of this new space at "Tapestry of Quail" and we will see benefit once again at the Father's Day car show.

This simple change reminds us all that we are stewards of what we have. It all belongs to the Lord and we need to ask ourselves in an ongoing fashion, "Am I doing all I can with the resources that God has given?" As we ask that question and allow the Lord to guide us, sometimes it brings about change both in the church program and facilities as well as in our individual lives.

I hope to see you around the "Plaza" real soon!

His and yours,

Pastor Marc

SOS - Serve Our Stockton

Save the date:

Saturday, August 7, 2010

SOS (Serve Our Stockton) is a Volunteer Day to make improvements around our city. Last year on our first annual SOS Day, over 1100 volunteers were mobilized from over 25 churches to accomplish over 70 projects around Stockton, including roofing a house for a senior citizen, painting fire hydrants, cleaning up the East Bay MUD easement along March Lane and many other projects, some of which were even "kid friendly" so families could participate together. Save this date for

another exhilarating experience of team work to help people and beautify Stockton! Watch for more information coming soon.

Good \$ense Seminar

"Freed-Up in Later Life" will be offered on Wednesday, June 30, 6:30-8:30 pm.
What do you want your later years to look like? Most of us imagine our later years will be full of rest, family, travel, or hobbies. But is leisure all that God has planned for us in that season of life? The

Bible doesn't say much about the concept of retirement, but God clearly desires that our lives honor Him every step of the way. But what can we do now to make sure we have the freedom to follow God's direction in our later years? [Read more about Good \\$ense.](#)
